Neighborhood Association Happenings

MARCH 2019

Next meeting TUESDAY, MARCH 12, 2019 at 7:15PM
Century 21 Birchwood Office, 4040 Del Prado Blvd (corner of Del Prado and Coronado)

PRESIDENT'S MESSAGE

Dear Friends,

Special heartfelt thanks to the over 50 wonderful neighbors who contributed to the National Law Enforcement Appreciation Day luncheon the CNA provided for our Police Department. Attached please see the letter of thanks from Police Chief David Newlan.

Lee County Circuit Court correctly denied the appeal of Paradise Boat Rental for a Special Exception 500 gallon self-serve gasoline tank for boat renters. We fought this cause with our neighbors and friends at Palaco Grande Association. Hopefully, this is finally over.

On Saturday, March 9th, 2019, we will have our annual Block Party on SE 28th Terrace and SE 22nd Place @ 1:00PM. One of our great neighbors arranged for the Fire Department to have a fire truck on hand; and the Police Department will have some Officers and a Police Canine at the party. Thank you Sue LosHuertos!!! This will be a great party. Bring a dish to pass and a lawn chair to squat on. BYOB. Last year we had over 100 neighbors. Come and enjoy the beautiful weather and the warm friendships.

Your Board is pleased to announce that we have appointed Christine Million to be our voice and our spokesperson regarding the continuing algae crisis. Christine is a CNA member, a local realtor, and a very passionate advocate for our neighborhood. Thanks Christine.

Our next Association meeting is TUESDAY, MARCH 12th @ 7:15PM at 4040 Del Prado, Century 21 offices. This meeting is critically important!!! We will have an important new update regarding the water and street re-paving project. And Christine Million has arranged for John Cassani of the Calusa Waterkeepers to make a presentation regarding the wholesale water quality crisis we are suffering from. And an update on the Median #1 beautification project we are working on. THIS IS AN IMPORTANT MEETING!!!

It's time to renew your CNA membership. Dues are only \$20 per year – about the cost of a case of beer or a cheap bottle of wine, or 2 subs at Subway. Your commitment to our neighborhood is important. This is OUR Neighborhood. Your voice is important. We will be walking the neighborhood to collect our annual dues and hopefully recruit new members. Please consider sending in your dues to Ann Vaughn our Treasurer. You would save me from having to walk the neighborhood in the hot sun.

Those of you who choose to speed in our neighborhood, be advised that I am complaining to the Police Department about the speeders and requesting aggressive traffic enforcement. No one wants to kill a pedestrian or a child walking in our neighborhood. PLEASE slow down.

Dennis Richardson
CNA President

Dave Newlan, Chief of Police

VICE PRESIDENT'S MESSAGE

Dear Neighbors,

Several projects will impact the neighborhood over the next several months. We are slowly getting more information and are passing it on. We hope you will attend the next General Membership Meeting and we will try and have answers to any questions you may have.

Median 1: We hope by April to be well underway with a make over of the median to give the entrance to our neighborhood a new, more up to date and inviting appearance. There will be extensive removal of old and dying vegetation and the addition of new plantings to add color and freshness to the entire median. The City and the contract landscaper are working with us to assure compliance with City landscape requirements.

Secondary Road Repaving: The City repaving of secondary streets will follow a Utility project involving replacement of galvanized potable water pipe. The Utility project has been bid to a contractor and should begin in the next several months and take around 3 months to complete. As each phase of the utility project is completed, repaving will follow.

The Utility project will involve trenching along one side of the affected street and require removal and replacement of sections of driveway. Seven (7) streets South of Cornwallis and eight (8) streets North of Cornwallis will be affected. Trenching

will not go through cul du sacs and affected driveways will be unuseable for up to 3 days. Street closures will be posted either by signage at the street entrance or by door hangers several days prior to the beginning of construction. Copies of the affected streets were made available at the January Membership meeting.

Scott Johnson
CNA Vice-President

SECRETARY BLOG Karla's Kuddos Section

Greetings Cornwallis Neighborhood Association,

My first KUDDOS goes out to Bill Perry, Mike Ulino, and Dennis Richardson for making sure the trash cans on Cornwallis Parkway are emptied each week.

My second KUDDOS goes out to Rosemary Boon. Rosemary actually gets a double KUDDOS. She has maintained her cul-de-sac on SE 28th terrace for over 10 years. It always looks nice. Rosemary also stores the big Candy Canes in her garage.

CNA helped finance the new mulch added to the median. Rosemary Boon, Bill Herrmann, Nora Devine and Ann Vaughn all pitched in to trim the bushes and spread the new mulch.

My third KUDDOS goes out to Marlies Laaper and Cafe You for the generous chicken salad wraps she donated for the LEAD luncheon and the desserts she provides at our annual Block Party which is coming up soon. They are so good.

My last KUDDOS goes out to the Cash Review Committee: Karen Swalve and Wendell Christoff and (per President..Karla Martinez).

Sincerely,

Karla Martinez ~ CNA Secretary
