PRESIDENT’S MESSAGE

Dear CNA Neighbors,

Summer is finally winding down. The hurricane season has been kind to us. As I write and try to get this message out, I am in Northern Michigan, deer hunting with my treasured Police buddies. Your Board continues to work hard for our Neighborhood. We are especially excited about the return of our Christmas Party for the first time in 12 years. The food at our sit down dinner will be excellent. The music will be fantastic. And the camaraderie and friendship will last a lifetime. And the price is the same as it was in 2007. Please join us!!! Tickets are limited. On a more somber note, your Board has learned that Paradise Boat Rental has appealed the City Council 8-0 denial of their request for

a Special Exception for a 500 gallon self serve gasoline tank for boat renters in our neighborhood. Rest assured that your Cornwallis Neighborhood Association Board and our partners at the Palaco Grande Association will continue to fight aggressively for the the safety of our residents and the integrity of our neighborhood.

Be Safe
Happy Thanksgiving.
Dennis Richardson
CNA President

VICE PRESIDENT'S MESSAGE

Dear Neighbors,

I hope everyone was able to vote. It is important that each of us select the people they want to govern us. Which brings me to our November meeting. We will be voting on some changes to our By-laws as well as electing new officers for the association.

The decision was made to hold a neighborhood Christmas Party again this year. Past parties were a great deal of fun and with many new residents, we will be able to get family, friends and neighbors together to celebrate the Holidays and make new friends. Please contact any of the Board members listed in the Newsletter for tickets.

We are still in the process of updating the landscaping in Median 1 at the entrance to Cornwallis Parkway. We plan to update most of the plantings in the median in cooperation with the City and the maintenance contractor.

We have developed a site plan and are working with the City to get as much cooperation in the project as we can.

The Flag pole at the entrance is owned and maintained by the Association. We usually can expect about 6 to 9 months before the Flag wears out and needs to be replaced. Our stock of donated Flags is running low. If you would like to donate a Flag, please let me know.

Since the press and government usually stick the bad news last in an article I see no reason to be different. I have been following up on the secondary street repaving program going on throughout Cape Coral. The Cornwallis Neighborhood has been scheduled to get secondary street repaving in fiscal year 2019, which officially began last month. The City Public Works department recently informed me that the schedule may not be met due to utility work which must precede the repaving. I am trying to get a representative from either the Public Works or Utilities departments to meet with us to explain the possible delay since I know each of your streets is in very bad shape.

Scott Johnson
CNA Vice-President

HALLOWEEN PARTY

From Gayle,

The Halloween Party with Cornwallis neighbors located at Jen Barch's home on 29th Street was a success. We had lots of cup

cakes and other food that was delicious. The planning of this event along with providing games and great crafts for the children were provided by Jen Barch, Kayla Pinter, and Mary Ellen Saba. The older folks got to visit and meet new neighbors at the same time the kids were trick or treating. Nearly every house on 29th Street had a bucket of candy at the end of their driveway waiting for the kids. We had some great costumes. We had a Giant Dinosaur and a Baby Dinosaur and many other creative costumes. We all enjoyed the great Halloween weather.

It was nice seeing people sitting in their driveways

greeting children with candy. Next year will be even greater.

Thanks to all that participated. Does anyone recognize the adults who had treats for the adults?

SECRETARY BLOG

Karla's Kuddos Section

Greetings Cornwallis Neighborhood Association,

The 1st Kuddos goes out to Ron Zintz for providing the Lending Library. It is a great asset to our neighborhood. It has been "remodeled" and looks great. If you haven't already, go by and check it out. It is located about half way down Cornwallis in the median.

The 2nd Kuddos goes out to our clean canals. After a summer of green and blue slime all over our canals and dead fish and mammals on our beaches it has finally returned to normal. Beaches and canals are now clear.

Leigh Anne Tollison from Designs to a T is proud to announce the winners of the T-Shirt Design Contest. It was a close call, but of all the entries, Joan Hampton and Susan Loshuertos were considered to be the best! We are combining the two great ideas to make one design! Choosing to use two designs is symbolic of our Cornwallis Community-neighbors working together! We are excited to get them printed and will let you know when the shirts are ready

Sincerely,

Karla Martinez

CNA Secretary
